2. ABOUT THE EXPLANATORY GUIDES

Published in May 2018, the Explanatory Guides offer a detailed introduction to each sport at the Youth Olympic Games Buenos Aires 2018, providing information on a number of key topics that may be of interest and importance to teams as they continue their planning and preparations. This guide is divided into several sections:

- A general introduction to Buenos Aires 2018 and the city;
- Key contacts;
- Sport-specific information on subjects such as key dates, competition format, rules & procedures, competition schedule by event and competition and training venues
- General information dealing with accommodation, accreditation, ceremonies, doping control, food & beverage, media services, medical services, sport information (SID and EIC), sustainability, transport, youth olympic pass and more useful information.

All information contained in this Explanatory Guide was correct at the time of publication in May 2018. However, please note that these details may change between now and the Games. NOCs are advised to check the YOGnet for important updates.

True to the spirit of Olympism and the YOG, Buenos Aires 2018 invites you to join the young athletes of the world during 12 days of competition, learning and sharing.

We wish you a pleasant stay in Buenos Aires, Argentina!

3. WELCOME

As a commitment to sustainability, this guide is being presented in an electronic format only.

Welcome to the Archery Explanatory Guide for the Youth Olympic Games Buenos Aires 2018.

On behalf of Buenos Aires 2018, I am pleased to present this document, which has been produced in close collaboration with World Archery (WA).

Buenos Aires will welcome 3,998 athletes from all over the world to participate the 3rd Summer Youth Olympic Games from 6 to 18 October 2018. Young athletes aged 15 to 18 will take part in a combination of high-performance sports competitions and cultural, educational and recreational activities, celebrating the Olympic values of Friendship, Excellence and Respect.

The Buenos Aires 2018 Youth Olympic Games Organising Committee (BAYOGOC) is proud to comprise 32 sports, 4 of which have been recently included: Roller Sports, DanceSport, Karate and Sport Climbing. Also, for the first time in the Olympic Movement there will be gender equality among participating athletes.

Competition and training venues, including new and renovated installations, will offer athletes the best conditions to excel in a fair and safe field of play.

In addition, accommodations and facilities at the Youth Olympic Village will provide an engaging environment and offer the best services to meet the needs of athletes and team officials during their stay in Buenos Aires.

Transport services will connect the four Parks and Stand Alone venues throughout Buenos Aires to provide easy access across the city during the YOG.

We hope this guide will provide all the necessary information in preparation for your participation at the YOG in October 2018.

We look forward to welcoming you to Buenos Aires, “the city of many passions”, for what is sure to be a memorable experience.

Mr. Mario Moccia
Chief of Sport & Venues
Buenos Aires 2018 Youth Olympic Games Organising Committee

4. INTRODUCTION

4.1 Buenos Aires 2018 Celebrates!

In the context of the 3^{er} Summer Youth Olympic Games, **Buenos Aires 2018 Celebrates** is going to be a new experience from where the City will be immersed in an atmosphere of celebration. Recreational, educational, cultural and sports activities will spread a spirit of joy, innovation and sustainability to every corner of Buenos Aires during the period of the Games.

Through this unique event, not only the athletes but also officials, family members, local and worldwide communities, will be able to FEEL the proposal of **Buenos Aires 2018 Celebrates**. Under this concept everyone will experience an atmosphere of enjoyment throughout the City, its landmarks, neighbourhoods and culture.

The Youth Olympic Village and the different venues will be immersed in four themed Parks and four Stand Alone Venues, each of them with its own visual concept and identity: Urban Park, Green Park, Tecnópolis Park, Youth Olympic Park, Paseo de la Costa Vicente López, Club Náutico San Isidro, Hurlingham Golf Club and Club Atlético San Isidro (CASI) La Boya. These Parks and Stand Alone Venues will merge and personify the spirit of the Youth Olympic Games (Compete, Learn and Share) and **Buenos Aires 2018 Celebrates**. The constant variety of activities that will be offered by each Park integrated with the sports competitions will be destined to different participants and will also develop a multiplying effect that will spread the spirit of the **Buenos Aires 2018 Celebrates** to every participant.

Those who visit tourist points, use public transport and tour around the neighbourhoods of Buenos Aires will capture from the very beginning the experience of **Buenos Aires 2018 Celebrates** and will be invited to live the Olympic Spirit which will be reflected in the colourful environment and the celebration. Through interactive activities, sports initiation workshops, art exhibitions, dance, music, technology and sustainability, **Buenos Aires 2018 Celebrates** will be felt throughout the City, Argentina and around the world.

4.2 PARK CONCEPT: The YOG in brief

Our goal is for all the participants to live the experience of Buenos Aires 2018. The Youth Olympic Village and the different venues will be immersed in four Parks. These Parks will merge and personify the spirit of the Youth Olympic Games (Compete, Learn and Share). With the Parks Concept, Buenos Aires 2018 aim is to use open, temporary venues and organize competitions in urban locations where people naturally gather.

URBAN PARK

The Seven Arts

With offers from the seven arts, there will be diversity in the activities and showcasing: they will be related to our city's culture as well as with that of other provinces and countries.

GREEN PARK

Healthy Lifestyle & Sustainability

Oriented towards taking care of our bodies and of the environment: yoga and fitness workshops, organic food and advice on self-care and sustainability will be the main attractions of this park.

YOUTH OLYMPIC PARK

Youth Olympic Centre - Cultural Exchange

Located in the south of the city, this park is the epicenter for cultural Exchange among athletes and the local community. It is also an area included in a strategic plan of sport, cultural and urban development. That's why the motto is "Cultural Exchange". YOC will be the meeting point for sports, science, arts and culture from all

over the world. The entire park seeks to promote the confluence of singularity and diversity, and the possibility of sharing the traditions of our country with other communities.

TECNOPOLIS

Technology

Technology will be found in every corner of this Park: games, sports technology, electronic music, DJs and VJs. There will be entertainment and communication with the most advanced technologies.

4.4 About Buenos Aires

Nice to know before arrival

Who we are: The city of many passions

We are “porteños,” the people of the port. We have immigrant blood, we are passionate, we give big embraces and we always greet with a kiss. Our tables are always crowded with friends, uncles and aunts, cousins, children, brothers and sisters, and we talk – perhaps sometimes argue – for hours. We express our emotions with enviable ease.

We are made of contrasts: between popular culture and sophisticated culture, between the traditional and the modern, between old religions and modern idols, and our city is full of life and intensity, enriched with stories that are shared and entwined.

Here, we bump into each other in the street then sit for hours over a coffee. Here, we look each other in the eye. Here, the night is a new day, and the city lights up with its hundreds of theatres and thousands of restaurants and bars.

We don't speak Spanish; we speak porteño, our own unique dialect that is part of the city's identity. Here, the taxi drivers are poets and philosophers. Here, a football match is a spectacle everyone must experience at least once.

Here, we'll introduce you to tango, dulce de leche and asado. And we want to meet you and get to know you. Because here we don't receive tourists; we make friends.

You may find us a little noisy, but above all, you'll find us to be authentic. And here in Buenos Aires, you can be sure about one thing: you'll feel part of the city. And when you depart, you'll leave your mark and take something of us with you.

4.5 Climate

Buenos Aires 2018 will occur during Argentinian spring, which is one of our rainiest seasons. Either way, rains tend to be light and don't get in the way of activities but you may need to bring a raincoat or umbrella. October in Buenos Aires has mild, humid weather; temperatures range between 13° - 21° C (56° - 70° F).

5. ARCHERY OVERVIEW

5.1 Archery at the Olympic Games

Archery is one of the oldest arts still practised today. The evolution of archery began at the start of mankind's history, and evidence of ancient archers has been found around the world. Although archery probably dates back to the Stone Age – around 20,000BC – the earliest people known to have regularly used bows and arrows were the Ancient Egyptians, who adopted archery around 3,000BC for hunting and warfare.

The English longbow became a force in the middle ages and was used in many famous European battles such as Crécy and Agincourt. A law in England stated that every man of adult age was to practise archery every Sunday (this law still stands today but is not enforced), and golf was once banned because it was distracting people from archery training.

The first-known archery competition relatable to modern times was held in Finsbury, England in 1583 and had 3,000 participants.

Since the introduction of gunpowder, the bow and arrow became obsolete in warfare and the activity instead developed into a recreational and competitive sport.

Archery first appeared in the Olympic Games in 1900, was contested again in 1904, 1908 and 1920, then again, after an absence of 52 years, from 1972 to the present. The most decorated archer in Olympic history is Hubert Van Innis of Belgium who competed in 1900 and 1920, winning six gold and three silver medals.

6. THE ARCHERY COMPETITION

The Archery competition at the Buenos Aires 2018 Youth Olympic Games will be held at the Parque Sarmiento Archery inside the Tecnópolis Park, from 12 October to 17 October 2018.

A detailed competition schedule by event is published in the [YOGnet's Library](#)

6.1 Competition Format

(This information was taken from YORIS: Release 3 Version 1.2 29 Jan 2018)

Three events make up the archery competition at the Youth Olympic Games: Men's Recurve Individual, Women's Recurve Individual and Mixed International Team. A total of 64 athletes compete in the Archery competition, 32 men and 32 women.

Men's and Women's Recurve Individual

- The competition consists of two phases: Ranking Round and the Olympic round
- The Ranking Round takes place first and the results are used to seed the Olympic round

There will be one Ranking Round for men and one for women. Each athlete shoots 72 arrows at 60 meters.

The athlete with the highest cumulative score is ranked number one, the athlete with the second highest cumulative score ranked number two, and so on until all athletes are ranked.

The ranked athletes are entered into the Olympic round bracket for matchplay. In the first phase of elimination, the highest-ranked athlete (1) faces the lowest-ranked (32) ranked athlete, the second-highest-ranked athlete (2) faces the second-lowest-ranked athlete (31), and so on.

- The Olympic round has a direct elimination format, with the winner of each match progressing to the next round and the loser exiting the competition.
- The Olympic round consists of the elimination rounds (1/16th, 1/8th or first, second) and final rounds (quarterfinals, semifinals, finals for bronze medal and gold medal).

Individual elimination matches are decided using the set system. Athletes shoot alternately and have a maximum of 20 seconds per arrow.

- An individual matchplay set consists of three arrows. The maximum set score available is 30 points.
- The athlete with the highest score in a set receives two set points.
- In case of a tied score, both athletes receive one set point.
- The first athlete to reach at least six set points wins the match.

If the match is tied after five sets at five set points apiece, a tie break takes place.

Mixed International Team

- The mixed international teams are made of the qualified individual athletes. The athletes are teamed up according to the seedings from the individual ranking round.
- The highest-ranked athlete (1) from the men's ranking round is paired with the lowest-ranked athlete (32) from the women's ranking round; second-highest-ranked athlete (2) from the men's ranking round with the second-lowest-ranked athlete (31) from the women's ranking round, and so on.
- The mixed teams are seeded according to the combined individual ranking round scores of the two members of the team and entered into the Olympic round bracket for matchplay.

If there are different number of male and female athletes, the lowest seeded athlete(s) in the largest individual category will be excluded to make the categories equal.

Two athletes from the same NOC may end up on the same mixed team, and this is permitted (no change of pairing). World Archery will name the mixed teams. The mixed team naming policy will be defined by World Archery and IOC.

- The Olympic round has a direct elimination format, with the winner of each match progressing to the next round and the loser leaving the competition.
- The Olympic round consists of the elimination rounds (1/16th, 1/8th or first, second) and final rounds (quarterfinals, semifinals, finals for bronze medal and gold medal).

Mixed team elimination matches are decided using the set system. Mixed teams shoot alternately, in rotations of two arrows (one per athlete) at a time.

- A mixed team matchplay set consists of four arrows. The maximum set score available is 40 points.
- The mixed team with the highest score in a set receives two set points.
- In case of a tied score, both mixed team receive one set point.
- The first mixed team to reach at least five set points wins the match.

If the match is tied after four sets at four set points apiece, a tie break takes place.

6.2 Rules & Procedures

(This information was taken from YORIS: Release 3 Version 1.1 - 12 March 2018)

Tie Break Rules

Ranking Round

Tie break for individuals and mixed team (total of both athletes):

- Greatest number of 10s (including inner 10s);
- Greatest number of Xs (inner 10s);
- If athletes/mixed teams are still tied, a disc toss decides the position (computerised disc toss may be used).

Olympic Round

Tie break for individuals:

A single arrow, for score, is shot by both athletes and the athlete with the highest-scoring arrow wins the match. If the score is the same, the arrow closest to the centre of the target wins the match. However, if athletes have both shot a 10 with their first shoot off arrow (regardless of whose arrow is closest to the centre), both athletes will re-shoot for a winner to be declared.

If the score is still the same on the second shoot off arrow, the closest to the centre of the target face to resolve the tie.

Tie break for mixed teams:

A single arrow is shot by each mixed team member and the mixed team with the highest combined score wins. If still tied, the mixed team with the single arrow closest to the centre wins. If still tied, the second arrow closest to the centre determines the winner.

If still tied, the process is repeated until a winner is declared.

Final Ranking

Tie break for individual and mixed team:

For positions five to eight, individuals and mixed teams that lose in the quarterfinals are ranked first by set points then total arrow score. For subsequent positions, athletes and mixed teams are ranked at the same position taking into consideration the number of tied athletes/mixed teams.

Penalties / Disqualification Rules

There are set penalties for infringements; the most common are:

- Losing the highest arrow value when an arrow is shot after the allocated time;
- A yellow card in the mixed team competition, given when an athlete takes an arrow from their quiver before crossing the waiting line, forcing them to replace their arrow and return behind the waiting line before continuing the rotation; and
- A yellow card in the mixed team competition, given when an athlete crosses the waiting line before their partner has returned behind the waiting line, forcing them to return behind the waiting line before continuing the rotation.

Protests / Appeals

With the exception of a judging call on an arrow value, a participant can lodge an appeal against an issue deemed unfair and in violation of the World Archery rules, or is not clearly defined in the rules, and the decision or action taken was an interpretation or decision of the judge. Lodged appeals received will be reviewed and evaluated by a jury of appeal.

SPORTS EQUIPMENT PROVIDED BY BAYOGOC

The list of Sports Equipment provided by BAYOGOC is detailed in the [YOGnet's Library](#)

SPORTS EQUIPMENT POLICY

NOCs are strongly discouraged from bringing with them sport equipment that is already provided by BAYOGOC, as storage space in the YOY is limited.

HANDLING OF SPORTS EQUIPMENT

Arrivals

All sports equipment will be loaded onto the buses and trucks at the delivery points in each Official Port of Entry for its transfer to the YOY. Prior to going into the Welcome Centre to validate the accreditations, athletes must relinquish the equipment that cannot access the YOY and therefore needs to be sent to the corresponding venue for storage, according to the table below.

BAYOGOC will provide the transfer of sport equipment if the NOC has submitted the list of sports equipment brought as accompanying luggage to the OTA.

Departures

Athletes are responsible for the packing, tagging and dropping off the sports equipment at the designated points and times, so that items may be processed and delivered to the Ports of Exit in due time.

More specific information will be communicated at a later stage.

STORAGE OF PERSONAL SPORT EQUIPMENT

For further information refer to Chefs de Mission Dossier in the YOGnet.

7. GENERAL INFORMATION

7.1 Accommodation

Youth Olympic Village (YOV) Introduction and Overview

The Youth Olympic Village (YOV) is a comfortable environment which will accommodate Athletes, Team Officials, Chefs de Mission and Young Change-Makers during the Summer Youth Olympic Games Buenos Aires 2018. It is located in the south of the city of Buenos Aires, 23km away from Ministro Pistarini International Airport (EZE) (also known as Ezeiza Airport).

The YOV is part of the Government of the City of Buenos Aires' urban development programme. Each of the 30 buildings have unique specifications and layouts due to the influence of 8 different project developers. These buildings are 7 - 10 storeys high, and are grouped into 6 residential blocks that will be housing approximately 7000 Buenos Aires 2018 participants.

In line with Buenos Aires 2018's sustainability approach, some of the buildings have 'green' rooftops, which will help to regulate the buildings' temperatures, improve their air quality, and protect the roofs from weather erosion over time.

At the YOV, athletes will not only rest and relax to get their best performance during competitions, but also enjoy and learn with the Culture & Education Programme to promote a cultural exchange of experiences and integration with others.

TIMELINE	
YOV Soft Opening	30 September 2018
YOV Official Opening	2 October 2018
YOV Closing	20 October 2018

Access and Zones

The Youth Olympic Village has 3 distinct zones within walking distance of each other.

All accredited clients must pass a walk-through metal detector, and their belongings through a scanner upon arrival through external access points. Appropriate accreditation entitlements will be checked to access all zones of the YOYV.

Please refer the zone below:

YOV Square (YS)

The YOV Square consists of the following areas:

·Welcome Centre: main access into the YOV. It is also the accreditation validation and security scanning point upon first arrival. The Welcome Centre also includes the Guest Pass Centre. A Tourist Information Desk, will be available from 7 – 18 October from 10:00 to 20:00.

Village Square: located at the heart of the YOV, holds:

- Athletes' Education Activities
- Banking services
- Coffee Store
- Cultural & Recreational Activities
- General Store
- Merchandising Store
- The Hall

·Dining Hall: located within the YOV at walking distance from the Residential Zone, offering the main dining services available for 'knife-and-fork' accreditation (and meal voucher) holders, providing breakfast, lunch, dinner and 24-hour snacks.

YOV Guest Pass holders may access the Village Square without being escorted by another accredited person.

Residential Zone (RZ)

The Residential Zone is the most private zone in YOV, offering accommodation and services for Athletes, Team Officials, Chefs de Mission and Young Change-Makers during their stay in Buenos Aires 2018.

The following services and offices are located on the ground level of the buildings in this zone:

- Doping Control
- Event Information Centre
- Fitness Centre
- Laundry
- Medical Clinic
- Multi-Faith Centre
- NOC Services Centre
- NOC Storage Spaces
- Resident Centres

These spaces will be part of the urban development legacy of the south of Buenos Aires. After the Games, they will become local services such as groceries stores and pharmacies, among others, for future residents.

Access to this zone is only permitted for YOAC holders with the 'R' symbol. YOV Guest Pass holders must be escorted at all times by an 'R' accredited person when accessing the Residential Zone.

Operational Services Zone (OZ)

The Operational Services zone is restricted to BAYOGOC workforce. Access is exclusively for service providers and contractors.

Soft-Opening and Opening Access

NOCs may validate accreditations for up to 2 delegates (Chef de Mission and Team Official) during the YOYV soft opening period, in order to access and stay at the YOYV to begin the arrangements prior to their delegation's arrival.

In case a Chef de Mission is unable to come during this period, their responsibilities must be delegated to another representative coming to the YOYV during this time via email to their NOC Relations representative.

Note that athletes are not allowed to access the YOYV during this period. Services and operational hours will be limited due to the reduced number of residents.

As following, it has been specified the operational hours of the services available during soft-opening and Games Time in YOYV:

ZONE	SERVICE	SOFT OPENING HOURS	GAMES TIME HOURS

First 24 Hours of the Athletes and Team Officials at the YOY.

The official opening of the YOY is on 2 October 2018. Athletes and Team Officials must validate their accreditation at the Welcome Centre upon their arrival.

Welcome Centre

As of 2 October 2018, all athletes and Team Officials residing at the Youth Olympic Village shall arrive at the Welcome Centre, where baggage and equipment will be screened. Teams will have access to their accommodation once the delegation's I&I is complete. The Youth Olympic Village Welcome Centre will be open 24 hours a day.

NOCs will be responsible for managing their own bags upon arrival at the Welcome Centre. On-demand assistance will be provided for heavy luggage.

NOC Services Centre

- NOC Services Centre

The NOC Services Centre is located at the heart of the YOY, in the Residential Zone. For further information refer to Chefs de Mission Dossier.

- Continental Help Desks

NOCs may meet with their NOC Relations representatives at the Continental Help Desks in order to coordinate issue resolution and provide general information.

Meeting Rooms

Six Meeting rooms with different layouts and capacities will be available for NOCs. The rooms may be booked at the Front Desk at the FA Help Desk, on a first-come-first-served basis.

Room N°	CAPACITY	
	as a Meeting Room	as an Auditorium

4	8	18
5	16	32
6	-	56

ELECTRICAL OUTLETS

Power at the YOY is supplied at voltage of 220V and 10A outlets. The following is the standard installed at the residential apartments:

NOCs are required to bring their own adaptors, voltage transformers and/or extension cords to use with their electronic devices at the YOY.

NOC STORAGE

NOCs might be entitled to Storage Spaces based on their overall number of athlete's delegation size, according to the following chart:

CAPACITY	
NOCs Entitlement (No. Ao)	Size m2
1 to 4	n/a
5 to 30	n/a
31 to 50	4
51 to 70	6
Above 71	9

7.2 Accreditation

Accreditation period is from 5 March 2018 to 24 May 2018. For more information please refer to the DRP Guide in the YOGnet.

7.3 Ceremonies

Welcome Session

All athletes are invited to the Welcome Session that will be held on 5 October 2018 at the Village Square in the YOY, an informal event to welcome the YOY residents to Buenos Aires 2018 prior to the beginning of the games.

Opening Ceremony

The Opening Ceremony will take place on 9 de Julio Avenue, at the Obelisco, on 6 October 2018. It will be the first of its kind to be held on the host city's main avenue in the open air, so as to involve both participants of Buenos Aires 2018 and local communities alike.

This urban setting implies that athletes and Team Officials will be standing throughout the Ceremony. No storage facilities will be provided and athletes and Team Officials will not be allowed to bring backpacks or large bags.

Closing Ceremony and Farewell Party

The Closing Ceremony and Farewell Party will be held on 18 October 2018. The Closing Ceremony will take place at the "Mary Terán de Weiss" Stadium, while the Farewell Party will be at the Youth Olympic Centre main stage.

Athletes, Volunteers, Team Officials, Guests and Media will be invited to the Closing Ceremony.

Once the Closing Ceremony is over, Guests and Media leave the venue and the Farewell Party begins, which is dedicated to Athletes and Volunteers.

No storage facilities will be provided and Athletes and Team Officials will not be allowed to bring backpacks or large bags.

Victory Ceremonies Guidelines

Victory ceremonies will be conducted in English, French and Spanish, and occur at all competition venues, as per the date and time indicated in the sport competition schedule.

NOCs are responsible for bringing appropriate uniforms for the medal-winning athletes.

Medal-winners are required to dress in their official team uniform with proper footwear during the victory ceremonies (slippers and sandals will not be allowed).

It must comply with the third-party trademark identification guidelines regarding clothing and accessories worn during the victory ceremonies.

Medal-winners must also remove any headgear such as sunglasses, hats and caps when receiving the medals, during their national anthem and raising of flags.

Please refer to the Ceremony Uniform Guidelines for more detailed information. This document will be published soon by the IOC.

Medals, Diplomas and Participation Certificates

Medals and diplomas will be awarded in each event in accordance with the IOC Olympic Charter (Rule 56: Victory, Medal and Diploma Ceremonies) and the IOC Protocol Guide (Article 5.4).

Victory diplomas will be given to 1st, 2nd and 3rd place medallists.

All athletes will be given participation certificates, which will be available as from 6 October 2018.

Victory diplomas, medal boxes and participation certificates must be collected by the CdM or a Proxy Card holder at the Front Desk at the FAs Helpdesk at the NOC Services Centre. Each delegation shall choose when and where to present the participation certificates to their athletes.

The Diplomas will be available for collection up to 48 hours after the Victory Ceremony, with exception for the events held on the 17 and 18 October. The deadline to collect them is on 18 October, before 6 pm.

7.4 Doping Control

IOC Anti-Doping Rules

The IOC's Anti-Doping Rules for the Summer Youth Olympic Games Buenos Aires 2018 complies with the 2015 World Anti-Doping Code and the mandatory World Anti-Doping Agency's (WADA) International Standards. The IOC rules include reference to the 2018 WADA Prohibited List.

Doping Control Programme

The IOC Medical and Scientific Commission (MC) is responsible for supervising the Doping Control Programme in compliance with the IOC Anti-Doping Rules applicable for the Summer Youth Olympic Games Buenos Aires 2018.

BAYOGOC will be responsible for launching and carrying out the Doping Control Programme under the authority of the IOC Medical Commission and in compliance with World Anti-Doping Code, the WADA International Standards and the IOC Anti-Doping Rules applicable for the period of the Games. The WADA Prohibited List for 2018 is published on [WADA official website](#).

BAYOGOC will be the exclusive service provider for all doping control tests in the Doping Control Stations (DCS) assigned for that effect, and will be responsible for establishing the necessary infrastructure and operational provisions to implement the Doping Control Programme, including the sample collection, storage and transport to the WADA accredited laboratory for the corresponding analysis.

The main purpose of the technical proceedings for the Doping Control Programme is to plan the tests effectively and maintain the integrity and identity of the samples collected. Doping control procedures will never interfere with any victory ceremony. At any moment, the chaperone and/or the Doping Control Officer must accompany the athlete to the victory ceremony if it was not possible to collect a sample before the start of the victory ceremony. Moreover, all testing results – may they be positive or negative – will be communicated to the IOC after the Games.

The objectives are to preserve the dignity of Olympic sport and to protect the athletes' fundamental right to participate in doping-free sport, thereby promoting health, fairness and equality in competition.

The doping controls will be separated into two parts: doping controls "out of" competition (before) and doping controls "in" competition (during), following the rules of in and out of competition testing. These will comply with the Doping Control Protocols determined by the IOC, WADA, the IFs and BAYOGOC. Urine and blood samples will be collected from the athletes during the period starting with the opening of the YOY on 2 October and ending with the Closing Ceremony on 18 October 2018, inclusive.

In order to facilitate the localization of the athletes for doping controls inside YOY, BAYOGOC will follow two procedures, validated by the IOC. The ADAMS Whereabouts system will be generally used for locating an athlete. In addition, NOCs will be required to send a rooming list of their athletes to a secure email address, created for the sole use of the Doping control team. Data provided is strictly confidential and will not be shared with any other parts, in order to respect athletes' privacy.

The Therapeutic Use Exemptions will be taken into account in accordance with the information obtained according to the International Standard Therapeutic Use Exemptions (ISTUE): <https://www.wada-ama.org>

During the games, in the Medical Clinic of the Youth Olympic Village there will be a letterbox to deposit the emergency TUEs.

The decision of the TUE Committee to grant or to deny an Emergency TUE will be recorded in ADAMS. If the TUE is denied or the application is incomplete the athlete's physician will be contacted by the TUE Committee.

Medical information must include comprehensive diagnosis and medical history, results of all relevant examinations and laboratory investigations.

7.5 Food & Beverage

Athletes and Team Officials shall, in principle, have all meals at the Dining Hall in the Youth Olympic Village.

Exceptionally, Athletes and Team Officials may be served lunch at the Work-force dining halls at the parks and stand-alone venues. The exceptions will be detailed at a later stage.

Dining Hall

It will operate from 2 to 20 October 2018, providing the following services:

Service	Hour of Operation
Breakfast	5:00 - 10:30
Lunch	11:00 - 15:30
Dinner	19:00 - 23:00

Nutritional Information and Allergy Warnings

All menus will be labelled to indicate contents, energy values and allergy warnings in English, French and Spanish.

Allergy warnings will also be displayed using pictograms that identify foods containing gluten, lactose, nuts, sugar, pork, lard and seafood. Low-fat foods will also be indicated.

Access Control

Only accredited individuals with the 'knife-and-fork' symbol on their accreditation, or individuals with a meal voucher, will be allowed access to the Dining Hall. Unaccompanied NOC visitors and individuals without meal vouchers will not be allowed to enter to the Dining Hall.

Before entering the Dining Hall, all bags must be placed in a secure wardrobe located at the entrance.

7.6 Media Services

Media at Competition Venues

At each park and competition venue, Media Operations will have the same working atmosphere and freedom for accredited media that reigns in the Youth Olympic Games. These will include:

- Mixed zone, as the main location for interviews.
- Media Stand, located at the best possible visual on the main competition arena. The tabled spots are exclusive to the positions of commentators requested by OBS. There are no seats reserved for the press in the secondary courts, but those who need or decide to attend any of them, may do so at the same areas intended for spectators.

· Photo Positions, located on the main competition courts, with electrical connections and priority access to Wi-Fi for accredited media. Photographers will be able to circulate freely in search of the best picture, as long as they do not disturb the public or other clients. Furthermore, the best possible location for photographers will be available during victory ceremonies. Each Photo Position will be coordinated according to the requirements previously established by OBS. Access to photo positions will be allowed to accredited photographers wearing a photo bib. Photo bibs will be distributed by BAYOCOG Media Operations staff.

· Broadcast Facilities: it will be provided before, during and after the period of competitions for OBS.

Media facilities in competition venues, such as the Media Workroom or Media Workspace will be operating from one hour prior to the start of the first competition until two hours after the last competition ends, according to the daily competition schedule.

There will be no media operations at training venues. If there are any media requests in these facilities, they will be managed on site by the present BAYOGOC staff, pending approval of the delegation's Team Official.

Mixed Zones

At every competition venue, a mixed zone, divided in broadcast and press zones, will be located at the exit of the competition area, wherever possible. The mixed zone will have adequate space to allow media representatives to interview athletes in a relaxed atmosphere and without the rules being as strict as they are in the Olympic Games.

Accredited media are authorized to film their interviews. There will be no press conferences in the Media Workrooms or at venue level.

7.7 Medical Services

There are no vaccination requirements for entering Argentina, but NOCs are advised to consult their local physician prior travelling to Argentina to ensure that all routine vaccinations are up to date.

YOV Medical Services

The following medical services will be provided at the Youth Olympic Village:

- Medical Clinic
- Welfare Office
- Complimentary Medical Studies
- Dorm Medical Care
- Night Urgent Care
- Pharmacy
- Medical Post (at the Village Square)
- 2 intensive care ambulances stationed at the Medical Clinic 24 hours

Medical Clinic

The Medical Clinic is located at the Residential Zone of the YOY and will be the main treatment provider for urgent and necessary services for athletes and Team Officials during the Games.

Medical services will be offered 24 hours since 30 September 2018 to 20 October 2018 in the following operational hours:

Clinic Operational hours	07:00 - 23:00
Emergency Services	23:00 - 07:00

Appointments with specialized physicians will be available upon request at the Clinic's reception. Some services may be provided exclusively at the official designated hospital due to its proximity (Dra. Cecilia Grierson Hospital, located 600 metres away from the YOY), in which case transport will be provided for the patient.

General Services

The following services will be provided at the YOY Medical Clinic, through both scheduled and on-demand appointments:

- First-aid emergency services
- Certain medical specialities (TBC at later stage)
- Cryotherapy services (ice baths)

Services at designated hospitals

The official Buenos Aires 2018 designated hospital is Dra. Cecilia Grierson Hospital, which is located at about 600 metres from the YOY. Medical services will be provided through both scheduled and on-demand appointments.

BAYOGOC's Medical Department will coordinate ambulance transfers to the Dra. Cecilia Grierson Hospital for emergency cases.

For high-risk cases, the patient will be transferred from Dra. Cecilia Grierson Hospital to Donación Francisco Santojanni High Complexity Hospital (also a Buenos Aires 2018 designated hospital, located 8 km from the YOY), either by ambulance or helicopter.

Medical services for competition and training venues

Medical services will be provided in all official locations in the following centres:

- Youth Olympic Centre Medical rooms
- Green Park Medical rooms
- Tecnópolis Park Medical rooms
- Urban Park Medical rooms
- Stand Alone Venues Medical rooms

Medical services at each park will be provided as of the opening of the park on 2 October 2018, when training starts, and will end on 18 October 2018, after the last day of competition.

Medical transport

All Buenos Aires 2018 parks and competition venues will have ambulances stationed on-site during operational hours, every day that the parks and venues are open. Two ambulances will be stationed 24 hours a day at the Youth Olympic Village Medical Clinic, and one will be present at the IOC hotel. These ambulances will be advanced-life-support level ambulances, equipped to cover all eventualities. They will be staffed by one emergency-specialised doctor and one driver specialized on first aid and CPR.

In non-emergency situations, where ambulance transport may not be necessary, PVS cars will be available to transport patients to and from the appropriate medical clinic or designated hospital, as deemed clinically appropriate.

Parental/ Legal Guardian Acknowledgment for Minors Form (PGF)

The parent or legal guardian of the minor must give a power of attorney for medical interventions to the Chef de Mission by signing the Parental/Legal Guardian Acknowledgement for Minors Form (**Refer to DRP Package in the YOGnet**)

7.8 Sport Information

Sport Information Desk (SID)

There will be one (1) SID in Parque Sarmiento, shared with Shooting and Beach Handball.

It will provide and distribute, printed on demand, sport-related information such as Competition & Results, Start Lists, Training Schedule and general information related to the Archery competition.

Access to the Sport Information Desk is limited to Chefs de Mission, Team Officials and Athletes.

In case of losing something, NOC and IF representatives should be directed to the Sport Information Desk to report the item/s.

The SID will be open at least one-hour prior to the first training or competition of the day and remain in operation until one hour after the conclusion of the final training or competition.

Event Information Centre (EIC)

The Event Information Centre (EIC) will be located in the Residential Zone of the Youth Olympic Village.

The EIC is organised into four spaces:

- Green Park Desk
- Youth Olympic Park Desk
- Tecnópolis Park Desk
- Urban Park & Stand Alone Venues Desk

Upon arrival in the Village, Team Officials are strongly encouraged to visit the EIC to introduce themselves and receive any important information for their respective sports.

Access to the EIC is limited to Chefs de Mission, Team Officials, and Young Change-Makers.

Only Chefs de Mission and Team Officials will be able to book and/or request-changes to training sessions.

Accredited clients who do not have access to the EIC will be redirected accordingly.

Final hours operation:

DATES	OPERATIONAL HOURS
SOFT OPENING (30 September to 1 October)	8:00 to 20:00
GAMES TIME (2 October to 18 October)	8:00 to 22:00
EIC CLOSING (19 October)	8:00 to 12:00

The EIC will provide information such as:

- General sport information about the sports/disciplines at the respective venues
- Competition and training schedules
- Official start lists
- Results Service
- Assistance with the communication of key information from the IFs and Buenos Aires 2018 to NOCs
- Schedule updates
- Sport publications
- General transport and weather information
- IOC Guidelines Regarding Authorised Identifications Buenos Aires 2018 (Rule 50)
- Athletes' Education Programme
- Cultural & Recreational Programme
- Learn & Share schedule (Parks)

The EIC will also be in charge of booking and monitoring training sessions during Games-Time.

The detailed training schedule will be provided to NOCs at Event Information Centre after their arrival at YOY.

7.9 Sustainability

BAYOGOC's goal is that all actions carried out within the framework of this event are in line with existing local and global standards, such as the 17 Sustainable Development Goals stated by the UN, on recommendations included in the 2020 Olympic Agenda, and on the IOC Sustainability Strategy.

Buenos Aires 2018 will be key to getting closer to the goal of living and progressing globally in a sustainable manner, regarding biological and cultural diversity.

BAYOGOC has defined the following 3 strategies to achieve this goal:

DEVELOPMENT OF SUSTAINABLE
POLICIES

ACCURATELY POSITION
SUSTAINABILITY IN SOCIETY

PROMOTION OF A SUSTAINABLE
CULTURE

SUSTAINABILITY FOCUS AREAS

To meet the previously mentioned goals, BAYOGOC's initiatives are:

ZERO WASTE

The separation of waste at the place of origin facilitates the recovery of reusable or recyclable materials, complying with City of Buenos Aires' Act No. 1854 'Basura Cero' (Zero Waste), which aims to gradually reduce the amount of urban solid waste buried in landfills.

ISO 20120 Sustainable Event Management System

Buenos Aires 2018 will be the first event in Argentina to certify the standard ISO 20120.

SUSTAINABLE PROCUREMENT

This area has great potential to impact on the implementation of sustainability policies. The creation of guides, manuals and procurement policies intends to help the development of the local market in terms of sustainability, as well as to establish internal criteria for the selection of suppliers and hiring of services.

SUSTAINABLE CULTURE

Buenos Aires 2018 is keen on leaving, through young people, a legacy of an unforgettable experience beyond the sport competition. The Learn & Share programme will allow participants to become ambassadors of a sustainable culture with a strong citizen commitment.

7.10 Transport

Transport services for Buenos Aires 2018 are set to operate between 30 September 2018 and 22 October 2018 and will help to ensure that all accredited clients are able to travel safely and efficiently between the YOV, venues and official locations.

The transport system will be free of charge for all accredited clients, by presenting the Youth Olympic Accreditation Card (YOAC). The YOG transport system will include a Common Shuttle Service (CSS), a Pre-planned transport services (PPS) and Public Transport (PT).

Athletes and team officials going to/from the YOV to the YOC will be able to walk due to the proximity of these venues.

Common Shuttle Service (CSS)

The Common Shuttle Service will be the main transport service and will operate with defined routes, stops and frequencies, linking the YOV to all official locations, and cease operation after competition, training and other events end.

The CSS will be accessible only to accredited clients (with the exception of workforce), subject to the presentation of their accreditation at each transport hub. The seating capacity of the buses and coaches varies between 25 - 45 seats.

This service consists of six routes:

The first four will depart from the YOV Transport Mall, connecting directly with each of the four parks. These routes will have a frequency of 15 minutes and will have no additional stops between the origin and the destination.

ROUTE NUMBER	ORIGIN	DESTINATION
CSS 1	YOV	Youth Olympic Centre
CSS 2	YOV	Urban Park
CSS 3	YOV	Green Park
CSS 4	YOV	Tecnópolis Park

The last two routes will work in closed circuits, stopping at each of the following mentioned locations:

ROUTE NUMBER	STOPS			
CSS 5A	Urban Park	Official hotel zone - via Alem	Tecnópolis Park	Green Park
CSS 5B	Urban Park	Official hotel zone - via 9 de Julio	Tecnópolis Park	Green Park
CSS 6A	YOV	Official hotel zone - via Alem	IBC	Tecnópolis Park
CSS 6B	YOV	Official hotel zone - via 9 de Julio	IBC	Tecnópolis Park

On competition days, the first transfer service will be scheduled to arrive at the venues up to two hours before the first competition starts.

The YOGnet's Library contains maps with an overview of routes, frequencies and travel times. Further information on the CSS, such as exact routes, travel times and frequencies, will be provided in the Chefs de Mission Manual.

Pre-Planned Transport Service (PPS)

The pre-planned transport service is designed to supplement the CSS in transporting clients to certain venues not covered by the CSS, and will operate based on pre-determined schedules between designated points at designated times.

The PPS will connect the YOAC and the official hotel zone to all Stand Alone Venues and will be accessible to all NOC accredited clients, subject to the presentation of their accreditation at each transport hub.

On competition days, the first transfer service will be scheduled to arrive at the venues up to two hours before the first competition starts, and seats will be guaranteed for Athletes and Team Officials scheduled to compete on that day and time.

NOC Presidents, Secretaries General and NOC Representatives, NOC Associates and Additional Team Officials are encouraged to use the PPS to get to Stand Alone Venues from the official hotel zone. More information on the scheduled hours of PPS will be communicated at a later stage. Pre-planned services will also be used for the Opening Ceremony, as well as for arrival and departure operations, servicing between the ports of entry/exit and the YOAC and official hotel zone.

Public Transport

All accredited clients will be entitled to use Buenos Aires' public transport system within the city and its surrounding neighbourhoods, free of charge by presenting the YOAC, from 30 September to 22 October 2018.

The public transport system includes city buses, subway and trains, which can be accessed at any time by accredited clients by presenting their YOAC.

Public transport in the city works from 5:00 – 23:00, except for buses, which run 24 hours a day, with a lower frequency during the night. Further details on public transport, such as lines and frequencies, will be provided at a later stage.

Non-Official Vehicle Policies

NOCs are free to rent their own cars and arrange their own transportation, under their responsibility and cost. BAYOGOC will not provide any parking spaces nor Vehicle Access and Parking Permits (VAPPs) for these vehicles.

Taxi

Each Park and Stand Alone Venue will have a taxi stop, where clients will be able to request the city's taxi services at their own expense. Taxis should be available at all time during the parks opening hours. However, if no taxi is available at the taxi stop, they can be requested at the transport hub of each Park.

Further details on the taxi stops will be provided at a later stage.

Drop-off and Pick-up Point

Drop-off and Pick-up of accredited clients will take place at loading zones where the transport hubs are. They will be located at each park and venue outside of the security perimeter.

7.11 Youth Olympic Pass

Buenos Aires 2018 will have a free-ticket policy, where all sport competitions will be free of charge to the public, NOC Participants' Friends and Families, (NPFF) and accredited clients.

Athletes, Team Officials and Young Change Makers (YCM) will be able to access the Accredited Stand of each venue, upon presentation of their YOAC.

Same Sport Spectating Athletes (SSSA) will be able to access the Accredited Stand of their own sport and venue, uniquely, upon presentation of their YOAC.

No specific arrangements will be made for Different Sports Spectating Athletes (DSSA). DSSAs will only have access to the spectators stands, along with the general public.

In all cases, access to the stands will be granted upon presentation of the YOAC and following the principle of first-come-first-served. That is why Team Officials, YCMs, SSSAs or DSSAs will not be guaranteed seating space.

7.12 Buenos Aires: more useful information

HOOR ACTIVITIES

The time zone in Argentina is UTC/GMT-3 and there are no time changes during the year. Activity in Buenos Aires starts early in the morning and continues until very late at night.

SHOPS

Most shops open 9am - 8pm Monday to Friday and at least 9am - 1pm on Saturdays, but many stores on the main avenues and in the main commercial areas also open all Saturday afternoon. Shopping malls usually open until 10pm, even on Sundays and public holidays.

BANKS

Banks open 10am - 3pm, Monday - Friday. Some branches in the central downtown area may open until 4pm. Cash withdrawals can be made from ATMs/cash machines 24 hours a day.

SMOKING AND ALCOHOL CONSUMPTION

Smoking in Buenos Aires is prohibited in closed public spaces and on public transport, as well as in restaurants, bars, cafes, shopping centres, cinemas, etc.

The consumption of alcohol is legal only for people aged over 18. Drinking is prohibited in sports stadiums and venues. Supermarkets are permitted to sell alcohol until 10pm; restaurants, bars and nightclubs until 5am.

The possession, manufacture, sale and use of drugs (including marijuana) is prohibited by law in Argentina.

MONEY

Argentina's national currency is the Argentine Peso. Note that it has the same symbol (\$) as the dollar (don't get confused) - prices expressed using the \$ symbol are in Argentine Pesos unless stated otherwise. US dollars are usually referred to by using the symbol: US\$.

It is easy to exchange money in Buenos Aires at casas de cambio (bureaux de change/currency exchanges) and at most banks - note that you'll need to provide identification.

To take in consideration:

- Illegal money changers operating in the street, particularly in areas such as Calle Florida, may claim to offer a slightly better rate for dollars and euros than banks and casas de cambio, but for your safety it is advised to change money at regulated institutions. For the same reason, we do not advise changing large amounts of money at one time.
- Local currency can also be withdrawn 24 hours a day from ATMs, and larger shops and restaurants usually accept payment by credit or debit card.

Other recommendations:

- Tax-free shopping: foreign tourists are eligible to reclaim tax (VAT) on purchases of domestically-manufactured goods with a value over ARS \$70 when made at participating outlets.
- Paying in US dollars: some restaurants, hotels and shops may accept cash payments in US dollars with a favourable exchange rate. It is always worth asking.
- Keep some small change handy: many shops often run low on small change - both coins and small denomination bank notes. They will be glad if you can pay with the exact change.

What can you do with your left-over pesos?

If you have a large number of pesos left at the end of your visit, you can change them to US dollars at an official casa de cambio, in a bank or even at the airport (it may also be possible to exchange them for euros, or Brazilian Reales, but other currencies are not regularly stocked). You may be asked to provide receipt from your original sale of dollars in order to buy back dollars. If you have less than ARS \$1,000 left, it's probably best to use it for transport to the airport or for buying souvenirs.

USEFUL DOWNLOADABLE APPS

There are several free apps that you can download for your Android or Apple smartphone or tablet to help you get the most out of your stay.

BA TURISMO

BA Turismo is an app that offers recommendations on everything: from sightseeing to eating out and entertainment. Search listings by type or location, find attractions near to where you are, and use the augmented reality function to find information about your current location. You can use the map offline once you've downloaded it, so it functions as a handy digital guide to the city wherever you are. The app offers three languages: English, Spanish and Portuguese.

BA ACCESIBLE

BA Accesible is a collaborative app through which users can search for and upload information on accessible locations in the city. This novel tool allows users to load new places and provide information on whether they have braille, ramps, or audioguides, thereby helping other users.

BA WIFI

There are free WiFi hotspots all over the city, in parks, on the underground system, and more; the app will tell where.

BA COMO LLEGO

The easiest way to find out how to get from A to B in the city, whether on public transport, by car or on foot. Insert the address of where you want to go, and the app will tell you how to get there.

BA EcoBici

This mobile application is for all bicycle users in the city. It maps out bicycle lanes, and shows the locations and availability of city bikes for hire on the city's free Eco-bici system.

BA SUBTE

Check the state of the underground metro system in real time, including alerts on delays and service interruptions.

EMERGENCY PHONE NUMBERS

For the tourist police, please call 0800-999-5000 / 0800-999-2838.

Below is a list of free numbers to call in case of an emergency from any fixed landline, public telephone or mobile cellular phone. The lines are open 24hrs.
