## **Conditions of participation**

The international visually impaired archery tournament in Andorra is an open championship for archers who are visually impaired.

The modality of shooting by touch reference will be used.

The known categories in this championship are the ones acknowledged by the World Archery Rules: VI1 and VI2-3.

The participants must have obtained the official international classification to participate on this tournament officially as well as being in possession of the World Archery license "not in open category"

In Andorra and in view of being able to invite new participants to compete, we will accept archers who still don't have the classification status, however these archers must be attached to a club or a federation, and they will only be able to participate in the qualification rounds, their results will be unofficial and they will not be able to participate in the elimination rounds.

## **Rules:**

Technical aspects of the event, as well as classifications are subject to the rules of World Archery. In particular please also note the special rules noted in chapter 21 of book 3.

Tournament 18 meters: 21.12.8.4 and 21.12.8.5
