vit.archery@gmail.com

Conditions of participation

The Visually Impaired Archery Tournament – Nantes Saint Herblain is open to all visually impaired archers who shoot with a tactile sight from all over the world. The recognized categories are those of the World Archery rules: VI1 and VI2-3.

The tournament is registered in the World Archery calendar. Then all participants have to have a license in a Federation who is a World Archery member association.

All participants need to have a valid classification status. For archers who don't have an international classification, the session is organized the 27 February. In this case, the archer needs to obtain a World Archery Identification number. For that, he can go through the national World Archery member association and ask them to register in the wareos system : register.worldarchery.org.

You can upload the list of World Archery members associations at

http://documents.worldarchery.org/Members/Directory/Directory_MAs.pdf

If the result of the classification in "non-eligible", the archer is allowed to shoot the qualification rounds but the scores will not be recognize, nor for the tournament, nor by World Archery (records, ranking).

Rules

Technical aspects of the event, as well as classifications are subject to the rules of World Archery. In particular please also note the special rules noted in chapter 21 of book 3.

Tournament 30 meters : 21.12.6 et 21.12.8.3

Tournament 18 meters : 21.12.8.4 et 21.12.8.5

Classification

Classification will take place on Saturday 27 February 2016 at Clinique Jules Verne in Nantes. International Classifiers appointed by IBSA on behalf of World Archery will do it. World Archery will recognize the results as official and classified archers will be registered in the WA master list for the future WA tournaments.

Archers who need to be classified have to send medical intake form and information in English at latest 26 January 2016 to archeryclassification@yahoo.com
