Date:

WORLD RANKING

The World Ranking (WR) coordinator is continually reviewing both the validity of the World Ranking List as well as the standard of the Tournaments which will carry the status of a World Ranking Event (WRE) Sanction.

The following were accepted by World Archery Executive Board:

1. Minimum Standard Criteria (MSC)
 1. Free access for all athletes and their sports equipment into the country
 2. C&R (2013) 3.4, 3.4.1-3.4.3, Book 2 3.4.5.
 3. C&R (2013) Book 6, Appendix 5, 5.7.1.5, 7.1 (anti-doping requirements)
 4. Minimum of 2 (two) International or Continental Judges appointed
 5. Technical Delegate (TD) inspection and review
 6. Event endorsed and guaranteed by the respective Continental Association (CA)
 7. The Organiser has to provide for each archer, the following information in order to ensure no duplicate information on archers in the database:
 - ID Number
 - Name (Family Name, First Name)
 - Category
 - Date of Birth (DD/MMM/YYYY)
 - Member Association (MA) Acronym
 8. Results in World Archery required format agreed and supervised by a nominated official at the event. Only TFORS, Ianseo, Swiss Timing or MSL Results systems can be used. The results must be sent to the World Archery Office no later than one (1) week after the tournament in electronic copy.
2. Submission of WRE for Sanction by World Archery
 1. MAs will apply for WRE status via their respective CA on the appropriate form. No other form of application will be accepted. Up to 6 events per CA can be programmed in a year.
 2. The CA will then submit the event to the World Archery Office. If the CA rejects the event, the "Non-ACCEPTANCE" box is checked and the President signs the form and adds a reason for non acceptance.
 3. The World Archery Office will forward all applications to the WR Ad Hoc Committee Chairman who will consider all applications and submit their final suggestions for approval by World Archery Executive Committee.
 4. All World Archery WRE as sanctioned will be inserted in the World Archery Calendar by the World Archery Office.
3. Automatic WR Status will only apply to The Olympic Games, World Championships, World Cup Stages and Continental Championships (the latter, provided that the MSC has been applied). Please note that Continental Qualification Tournaments (CQTs) are not automatically considered as WR Tournaments.

Notes:

1. For World Championships and Continental Championships, appointment of Officials as per World Archery Rules.
2. For other events:

It is recommended **but not mandatory**, that the Chairman of the Tournament Judge Commission is not from the host MA. The remainder of the Tournament Judge Commission can be National, Continental or International Judges from the applying MA. Appointments from outside the MA will be arranged by the CA in liaison with the World Archery Judges Committee.

It is recommended **but not mandatory** that a TD be appointed. The CA bears the costs for the preliminary and subsequent visits by the TD or the Organiser appoints and bears the expense if the CA declines.
3. In either case, no costs can be set against World Archery.
