

March 2011

## Messages of Sympathy

### Japan, Myanmar, Thailand and Laos

FITA President, Council Members, Secretary General, staff and the whole World Archery family send their condolences and sympathy to all members of the National Archery Federations of Japan, Myanmar, Thailand and Laos, and to everyone who has been touched by this tragic event, for the victims of the earthquakes and tsunamis. We hope that no one in the archery community is directly or indirectly affected in this natural disaster. We wish these four countries the very best to surmount such difficulties.

## FITA Honorary President

### On Target for Recovery

"Our Honorary President Mr James L. EASTON is feeling better and better every day," the FITA President Prof Dr Ugur ERDENER stated after his visit to the Easton family in Los Angeles on 19 March 2011. "We are happy to report to the archery family that our former President's health is improving continuously."

The FITA President was able to give an update on FITA's activities and the preparations of the upcoming World Championships and the London Olympic Games. Although at this time travel is still too difficult for our Honorary President, he sends his best greetings to the archery family worldwide. He hopes to be able to join us for a competition in the near future.

The FITA President thanked Phyllis EASTON for her extraordinary support to her husband. Together they work every day on his recovery which would not have been possible without her dedication.

Stage 1  
2-7 May 2011

## Partnership

### Geologic (Decathlon)

Geologic has been one of the seven official target face suppliers approved by FITA since 1998. On 14 March 2011, FITA Secretary General Tom DIELEN, along with Development and Education Director Pascal COLMAIRE, met with Marc ROUSSEAU and Florent RABOUIN, two managers of Geologic, a French company producing archery equipment.

Geologic is a brand that produces archery equipment for Decathlon, for beginners, leisure and target faces for FITA events. Decathlon stores distribute equipment produced by other manufacturers in 15 countries and they also collaborate with national archery federations through partnership agreements.

Geologic' director and employees of are archers' themselves and do their best to promote archery by guarantying the lowest prices.

Other partnership feasibilities were discussed during this meeting and shall be concluded in the coming months, such as equipment assistance for countries willing to develop archery, introduction and initiation stands, video guides on how to use and choose equipment, etc.

Geologic's brand manager, Florent RABOUIN said: "We are happy to continue our collaboration with FITA. Our brand added value is to make the pleasures of archery accessible to everyone through efficient and solid products at the lowest prices. Some of our products are particularly safe in order to introduce archery to kids at earliest age, whether it is at home, in clubs or in schools."

FITA Secretary General, Tom DIELEN said: "Our target face certification programme purpose is to guarantee a quality production, which is important for our high level competitions but also for its usage in clubs in order to guarantee quality equipment for all. Therefore, we are delighted that prestigious brands like Decathlon and Geologic join our programme and encourage the practices of archery."

FITA and all people collaborating in our activities under the umbrella of the World Archery brand look forward to continuing the membership extension of Geologic as a target face official distributor.

## Facebook

### Five Thousand Fans

The official World Archery Facebook Page has reached 5'000 fans! This platform, launched in December 2009, has reached its target—to develop open communication between archery lovers from the five continents.

The World Archery Facebook page brings the international archery community closer together, allowing top athletes as well as amateurs and fans to share their passion for the sport.

This new means of communication allows fans to stay connected, informed and involved with the sport of archery. Through the News Feed, members are notified instantly of major headlines posted on the FITA homepage. Fans are networking with other archers through the World Archery Facebook Wall and Discussion Board. The Events section dedicated to the World Cup allows them to communicate about upcoming competitions and exchange photos and videos.

The World Archery Facebook page is part of a global network that links sports pages together: official pages of major sports organisations like the Olympic Games, the World Anti-Doping Agency and several international sports federations; official pages of major sports competitions like the Torino 2011 World Archery Championships or the London 2012 Olympic Games; and many other sports entities like national archery associations, clubs and sponsors.

## University Sports Federation

### Message to FITA Member Associations

Dear President, dear Secretary General, dear friend in sport,

I hereby send you a link to a webpage of the University Sports Federation:  
<http://www.fisu.net/en/FISU-Sports-Survey-2644.html?idProduit=1410>

It is very important that you take contact with your respective University Sports Federation and insist that they put Archery as one of the sports they wish to include in the permanent programme of the Universiades and that they consider as an important university sport.

Archery fulfils all the necessary criteria that we can control as FITA but this survey is one of the elements the FISU Executive Board looks at. Now with the upcoming Universiades it is even more important that you have a good contact with them.

In case you need assistance in reaching your University Sports Federation please contact Juan Carlos HOLLGADO or myself and we will find you the right contact details.

Please help us to make our sport more important in the University world.

Yours sincerely,

Tom DIELEN  
FITA Secretary General

## Member Associations

### Germany

Oliver HAIDN, 40 years old secondary school teacher from Deggendorf in Bavaria, is the new archery head coach of the German Shooting and Archery Federation. He himself was successful in sports. He won the German Championships with his team from FSG Tacherting in the First Division ("Bundesliga") and collected medals in individual competitions.

HAIDN is the author of several books on the theory of movement and training science. He served for the German Shooting and Archery Federation and the Swiss Olympic Association in leading functions as a teacher in education of trainers. He has already worked closely with several members of the German national team. He is married to Veronika HAIDN-TSCHALOVA, one of the best German archers.

Oliver HAIDN replaces Martin FREDERICK who had taken the head coach job after the 2004 Athens Olympic Games. The German archers won two individual indoor world titles as well as several other world medals during FREDERICK's tenure. The German Federation now especially hopes to raise the level of results in the Olympic categories.

### Thailand

The Congress of the National Archery Association of Thailand (NAAT) was held on 26 March 2011. The outgoing President Mr Sanguan KOSAVINTA was re-elected for another 2-year term (2011-2013). FITA Vice President Sanguan KOSAVINTA was the only candidate for presidency. He received full support from the representatives who attended the Congress with 100% of the votes.

### Togo

Training of archery club coaches took place in Lome, Togo from 24-27 February 2011. It consisted of a workshop for the participants on how to manufacture bow accessories (arrows, target face, bowstring, etc.), technical training skills and training of judges to carry out an archery competition. After completing the training courses, a competition was organised and the best participants were rewarded. At the end of the three days, the participants returned home with better knowledge of the three topics studied.

## Coaches

### Level 1-2 Training Camp

A Level 1 and 2 training camp will take place from 2-22 May 2011 at the FITA Middle East Archery Centre (MEAC) in Cairo, Egypt under the expertise of coach MUN Baek Woon and in coordination with World Archery Development Department. The training camp is open to all FITA Member Associations who are in good standing with FITA and seek enhancement of archery knowledge of their archers and coaches. No entry fee will be charged.

Participations are self-funded (with or without financial partnership from the participants' National Archery Federation, National Olympic Committee, National Sport Governing Body, Private assistance, etc.) Expenses include: flight, visa, local transport and full board. See local charges in MEAC presentation document on [www.worldarchery.org](http://www.worldarchery.org), section Development > Training Centres.

Anyone interested should contact Mrs Deqa NIAMKEY ([dniamkey@archery.org](mailto:dniamkey@archery.org)) at the World Archery Development Department. Closing date for registration: **11 April 2011**

**European Coaching Trainers Programme**

The first European Coaching Conductors Seminar was held from 28 February till 5 March 2011 in Compiègne (FRA) with 14 participants coming from 11 European countries. This course was conducted by André KOORLAR (NED) and Pascal COLMAIRE (FITA). Participants accepted to help EMAU and FITA in the area of coaches' education and work jointly towards a consensus on coaching methods that could be applied in their respective countries and anywhere else.

The group was welcomed by the City Council of Compiègne, a town that was recently voted as the "best sports city" in France. Compiègne has a permanent archery centre consisting of a training field and an indoor archery range. Two coaches work full-time at the centre plus one trainee, which provides excellent conditions for this course.

Mr Philippe BOUCLET, FITA Vice-President, EMAU Council Member, Deputy Secretary General of CNOF and President of France Archery Federation, is at the heart of this project and is very appreciated by all participants. The project was set up successfully thanks to the financial support of the Olympic Solidarity and European Olympic Committees.

**Judges**

**FITA Judge Seminar in Bangkok**

Continental Judges are invited to attend the FITA Judge Seminar to be held in Bangkok, Thailand from 3-5 June 2011. The scope of the seminar is to select and train Continental Judges supported by their MAs and CAs to award FITA accreditation for International Judge Candidate status. More on [www.worldarchery.org](http://www.worldarchery.org), section FITA > Organisation > Judges > News > 15 March 2011.

**Judges Newsletter**

The FITA Judges Newsletter No. 77 was issued on 24 March 2011. It can be downloaded from [www.worldarchery.org](http://www.worldarchery.org), section News > Newsletters.

**Development**

7-12 November	5th World Archery Coaching Seminar	London (GBR)

### National Structure Development Project in Georgia

World Archery and the National Archery Federation of Georgia have completed a "National Sports Structure Development" project funded by the Olympic Solidarity. The Georgian archers benefited from the expertise of the Korean Mr AN Hyung Seung—known as "Archie"—from November 2010 to the end of March 2011.

Archie provided a complete review of the archery infrastructure, equipment and human resources of the national federation. He says there is still a lot to be done and improve in order for our sport to progress in this country. He enjoyed his experience in Georgia, particularly the people who were so friendly.

The project was conducted in the two Georgian cities of Tbilisi and Batumi. The national archery team comprises of seven men, six women and ten coaches for the entire country. The Ministry of Sports, in collaboration with the National Archery Federation, is working towards the upcoming World Championships 2011 and the London 2012 Olympic Games. In view of these important events, Archie's was offered a contract as head coach of the national team until July 2011, in order to prepare the team for the World Archery Championships in Turin, Italy.

He says that "In order to achieve high scores at the World Archery Championships, it is important to focus on physical and technical training as the remaining time is short. In the past months during my stay in Georgia, the archers have progressed considerably and it has allowed me to gain the trust of the archery family and sports authorities, which have then offered me this contract."

World Archery would like to congratulate Archie for his contribution to develop archery in Georgia and we look forward to collaborate with him in future projects. World Archery would like to thank the Olympic Solidarity for their valuable contribution as always and the National Archery Federation of Georgia for their great initiative to improve their know-how.

### Olympic Solidarity Scholarships

Three coaches from Africa are benefiting from the Olympic Solidarity (OS) coaches scholarship programme to enhance their knowledge and expertise in a sport science faculty. Margaret TUMUSIIME (UGA) will be attending the Semmelweis University programme for a 2-month period in Budapest, Hungary. Thomas SODJINOU (BEN) and Amadou SOUMALIA (NIG) will be attending the CISÉL coaches programme in Lausanne, Switzerland for a 3-month period.

The main objective of this programme is to offer coaches, who are officially recognised as such and active in their respective sport, access to high-level further training, experience and knowledge, which they will then use for the benefit of their respective national federation.

World Archery is happy to see that more and more members of the archery family are benefiting from OS programmes for the development of our sport worldwide. We encourage our developing Member Associations to continue to apply for such programmes as much as possible.

## Para-Archery

### International Classifiers Conference

In cooperation with the Organising Committee of the World Archery Para Championships 2011, all FITA International Classifiers are invited to the Conference that will take place on 7 July 2011 at Hotel Rivoli, Corso Primo Levi 150, 10090 Rivoli ([www.rivolihotel.it](http://www.rivolihotel.it)).

The conference will start at 9:00 and will end at approximately 17:00. Attendees will have to plan for arrival on 6 September (or earlier if they wish to attend the World Archery Championships). Two accommodation nights with relevant meals and transportation from either Torino Caselle Airport or Torino Porta Nuova Rail Station will be provided by FITA.

FITA would like to emphasise the great importance of their conferences, in order to update FITA Classifiers to a common understanding—as well as being the base for exchanging views among "International Classifiers". Furthermore, according to new rules concerning FITA Classifiers, it is now mandatory to attend one of the Classifier Conferences within the accreditation period in order to keep accreditation as FITA International Classifier.

Classifiers have to register their participation to the FITA Office at [sfreymond@archery.org](mailto:sfreymond@archery.org), mentioning the type of room requested as well as their flight schedule (date, time and flight numbers) **by 15 May 2011**. The invitation document is available from [www.worldarchery.org](http://www.worldarchery.org), section PARA-ARCHERY > General > News > 17 February 2011.

### Classification Seminar

World Archery invites all national and international Para-Archery Classifiers to a Classification Seminar held in Turin, Italy on 8-9 July 2011. The scope of this seminar is to train classifiers supported by their Member Associations (MAs) for awarding the FITA accreditation. The lecturers will be Pauline BETTERIDGE, Head of Classification, and members of the Classification Committee. The seminar will be conducted in English.

The venue for this seminar will be Hotel Rivoli, Corso Primo Levi 150, 10090 Rivoli ([www.rivolihotel.it](http://www.rivolihotel.it)). The Seminar will start on 8 July 2011 at 9:00 (arrival on 7 July) and end on 9 July 2011 at approximately 17:00 (departure either to join their team taking part at the World Archery Para Championships or to the airport 10 July).

The accommodation rate is 327 Euros in single room and 244.50 Euros in double room including: transport from/to Torino Caselle Airport or Torino Porta Nuova Rail Station, full board from dinner of 7 July to breakfast of 10 July. Transfers from/to Milano-Malpensa are possible at an extra cost of 60 Euros per way, per person. No Participation fee will be charged to the participant.

Classifiers have to register their participation to the FITA Office at [sfreymond@archery.org](mailto:sfreymond@archery.org), mentioning the type of room requested, the transfer as well as the flight schedule (date, time and flight numbers). Please also submit **by 15 May 2011** the application form for International Classifier Candidates available on [www.worldarchery.org](http://www.worldarchery.org), section PARA-ARCHERY > General > News > 17 February 2011.

International candidates must have been an active national classifier for at least two years and must have an adequate knowledge of English. The application must be completed and signed by the applicant (the classifier) and his/her MA with a copy of their certification as a doctor or physiotherapist and must be submitted to the FITA Office.

The participants passing the examination will obtain the status of "FITA International Classifier Candidate". The participants must bring with them FITA Classifier Handbook, available from the Para-Archery section of the FITA webpage [www.worldarchery.org](http://www.worldarchery.org).

There is a possibility of being a sit-in at this seminar, depending on the space available. This may be of interest to coaches to enable a better understanding of the Classification System. Registration for sit-in purpose is to be made to Séverine FREYMOND ([sfreymond@archery.org](mailto:sfreymond@archery.org)). The complete invitation document is available from [www.worldarchery.org](http://www.worldarchery.org), section PARA-ARCHERY > General > News > 17 February 2011.

---

## Events

### World Archery Event Organisers Seminar

The Invitation Package for the World Archery Event Organisers Seminar Ogden has been released. It will take place on 5-9 August 2011 in Ogden USA in conjunction with the World Cup Stage 3. All useful information and a booking form can be found on [www.worldarchery.org](http://www.worldarchery.org), section WORLD CUP > Ogden 2011 > 21 March 2011.

Information regarding the World Archery Event Organisers Seminar Shanghai which will take place on 9-12 September 2011 in conjunction with the World Cup Stage 4 will be released soon.

---

## Future Events

### World Archery Championships 2011 Turin

#### Deadline for Registration

We remind our Member Associations that the preliminary entry deadline for the World Championships in Turin, Italy is 4 April 2011.

If you do not register a preliminary entry, you are liable to penalties and you could even be refused to enter at a later stage.

At the moment we have received preliminary entries from 43 countries. Since these are the Olympic qualifiers, we urge you all to respect the deadlines so proper preparations can be made by the Organising Committee (OC) to welcome you in Turin.

If you have already registered, please ignore this message but do not forget that the final entry deadline will be 12 June 2011.

#### Tickets

The tickets sale for the World Archery Championships finals scheduled on 9- 10 July 2011 on Piazza Castello in Turin, Italy began on 7 March 2011. Fans can buy single tickets for individual sessions of the competition on the event's website [www.2011.to](http://www.2011.to). The basic ticket for each competition session is priced at 10.00 Euros. Payment must be made by credit card with the PayPal system or by bank transfer to the coordinates given on the booking page.

VIP tickets, entitling to welcome high-level, the best location at the shooting line, service at their seat, grandstand and access to dedicated areas, are priced at 200.00 Euros per day and include both, morning and afternoon sessions. In order to book VIP tickets and request for clarification, please contact the Organising Committee directly at [tickets@2011.to](mailto:tickets@2011.to).

Access to fields of play and other specific areas during qualification and elimination, and for the whole Para-Archery Championships, all at the Hunting Palace of Stupinigi, will be free of charge.

#### Touristic Packages

The booking process for touristic packages at the World Championships 2011 in Torino started on 14 March 2011. Spectators can buy two nights, three nights or four nights tours with touristic visits including Museums, walking tours, etc. All information and booking process at: [http://www.2011.to/index.php?option=com\\_content&view=article&id=119&Itemid=90](http://www.2011.to/index.php?option=com_content&view=article&id=119&Itemid=90)

#### Road to Torino

The first step of the North Italy trip, that will present the World Archery Championships 2011 in more than 15 cities, will be held in Cherasco, province of Cuneo on 10 April 2011 during the 80th edition of the local annual Antiques Festival. The approach to the major international event is being accomplished through a promotion programme in the Piedmont and Lombardia regions in the provinces that joined initiative.

The promotion will take place in the square through demonstrations organised with the cooperation of the local archery clubs, also offering the possibility of a practical approach to the discipline for those who want to try. The event will be presented by videos, posters, flyers and the presence of athletes from the Italian national team.

Apart from provinces of Cuneo in April and Asti in May, other provinces will hold the promotion of the World Archery Championships in conjunction with the Sports National Day convened by the Council of Ministers scheduled for 5 June 2011.

#### 2nd Asian Grand Prix in Vientiane

The Lao Archery Federation is pleased to organise the 2nd Asian Archery Grand Prix in Vientiane from 21-27 April 2011. They invite all archery teams to register for this World Ranking Event. More information on [www.worldarchery.org](http://www.worldarchery.org), section OTHER EVENTS > 2011.

### EMAU Grand Prix

Thanks to new rules, Club Archers can now compete in the EMAU Grand Prix, starting with the upcoming Grand Prix in Antalya (TUR) and Boe (FRA). Hence, not only national team archers can compete in a Grand Prix tournament, but also Club Archers can enter individually the competition.

Information letter, procedure and time line for registration, registration form for the Antalya and Boe Grand Prix can be found on [www.emau.org](http://www.emau.org).

### Para-Archery World Ranking Event

The Para-Archery World Ranking Event Nymburk 2011 will be held in Nymburk, Czech Republic on 12-18 August 2011. The Organising Committee and its Chairman Ondrej SEJPKA invite all para archers to participate in this competition. All information and registration forms are available on [www.worldarchery.org](http://www.worldarchery.org), section PARA-ARCHERY > Events > Other Events.

Contact of Organising Committee: [hybs@spastic.cz](mailto:hybs@spastic.cz)

### International Face2Face Event

Archers from all over the world will compete against Britain's finest when Archery GB hosts the UK's first internationally-recognised Face2Face tournament later this year. The Face2FaceUK will feature as part of the second annual Indoor Festival of Archery at the International Centre in Telford this December, after the success of last year's exhibition Back2Back event.

Starting on Friday, 2 December 2011 with official practice and the first round-robin matches, the tournament will conclude the following day, after the second round-robin stage, semifinals and the finals. It will take place alongside the Junior and Senior UK National Championships—with the juniors shooting alongside the Face2FaceUK finals on Saturday, and the seniors battling it out on Sunday, 4 December.

While last year's Back2Back was well received by competitors and spectators alike, the introduction of the world-renowned Face2Face brand—which originated from the Netherlands in the 1980s and is credited with the introduction of the spectator-friendly head-to-head format now used at major championships, including the Olympics—will draw archers from Europe and abroad, turning the prize-fund event into an exciting international tournament.

If the new tournament turns out to be a success it is hoped the UK will continue to run it every other year, swapping responsibilities with the organisers in Amsterdam, who are equally as enthusiastic about the tie-up with Archery GB.

The Face2FaceUK will be a great opportunity for junior and senior archers alike to witness world-class, high-pressure archery in this country. And though it is still nine months away, the Festival weekend is already shaping up to be another exciting one.

It is widely expected that demand for places this year will be extremely high. Entry forms will be available in April. For more details, go to [www.archerygb.org](http://www.archerygb.org).

### 1st APC Archery Cup Championships

The competition schedule of the 1st APC (Asian Paralympic Committee) Archery Cup Championships to be held from 10-18 May 2011 in Bangkok, Thailand has been released. It is available at [www.worldarchery.org](http://www.worldarchery.org), section PARA-ARCHERY > Events > Other Events.

### London 2012 Olympic Games Tickets

Tickets for the London 2012 Olympic Games are on sale around the world. In the UK and within the EU, people can apply for tickets between 15 March and 26 April 2011. In total 6.6 million tickets will be on sale to the public. UK and EU residents can apply via [www.tickets.london2012.com](http://www.tickets.london2012.com) at any time during the 42-day application period. It is not a first come, first served system and there is no advantage to applying earlier in the process.

From 15 March, ticket and accommodation packages will also go on sale in the UK through Thomas Cook branches and on their website [www.thomascooklondon2012.com](http://www.thomascooklondon2012.com).

Ticket prices were announced last year with a wide range of prices available. Full price tickets start at just 20 British pounds (GBP) across all sports and LOCOG has created an innovative 'Pay Your Age' scheme at more than 220 sessions for young people who are aged 16 and under when the Games start on 27 July 2012. People aged 60 or over when the Games start will pay just GBP 16 at these sessions. The lowest priced ticket for the Opening Ceremony of the Olympic Games will be GBP 20.12, with the highest priced ticket coming in at GBP 2,012.

In addition to the 6.6 million tickets on sale in the UK, up to one million tickets are available for sports fans outside the UK via National Olympic Committees (NOCs) and their Authorised Ticket Resellers (ATRs). Authorised Ticket Resellers have now been confirmed and a full list of them is available on <http://www.london2012.com/documents/ticketing/authorised-ticket-reseller-list.pdf>. Customers outside of the UK should contact their local NOC or ATR to find out details of ticket sales in their country.

In the UK, on-site hospitality packages are available to purchase from 15 March 2011 through the London 2012 Prestige Ticketing programme at [www.prestigeticketing.london2012.com](http://www.prestigeticketing.london2012.com). A levy has been placed on the price of these tickets which will see tickets donated to school children up and down the country every time a package is purchased in London 2012's innovative Ticketshare scheme.

Tickets for the Paralympic Games will go on sale on 9 September 2011 and tickets for the London 2012 Festival, the UK-wide cultural festival, will go on sale in October 2011.

## Performances

### World Records

On the occasion of the Canadian Indoor Championships on 6 March 2011 the compound young archer Christopher PERKINS (CAN) photo shot a new world record with a score of 599 points. Dietmar TRILLUS also shot an indoor world record for the compound masters' category with 594.

PERKINS, who will turn 19 in May, just missed the X10 with the first arrow of the very last 3-arrow end; otherwise he would have shot a perfect 600 score! With 599 points he has set both a new senior and junior world record at 18 metres. Among PERKINS's major outdoor performances so far, he finished 4th at the Cadet World Championships 2008 and 2009.

Outdoor world champion in 2007 and World Cup winner 2008, TRILLUS improved by four points (new: 595 – previous: 591) his own indoor compound masters men's world record he already set at the Canadian Indoor Championships in Caledon exactly one year before.

World Archery and the whole archery community congratulate the two archers for such an amazing achievement!

### Indoor \ Compound Men \ Individual
