Awards

Scottish Best Sports Event

The Archery World Cup Final 2010 Edinburgh won the prestigious Best Sports Event award at Scottish Event Awards. This shows that not only the archery family but the experts in event management appreciate the efforts made by our team that we are more than a sport competition but a true event.

The event fought off strong competition from another Edinburgh contender, the World Youth Climbing Championships—both events took place in what was dubbed Edinburgh's 'Super September of Sport'.

The event also has shown that there was a strong public interest in Scotland for archery, since the event was not only a success on television but also on site.

"This is fantastic for the city of Edinburgh, Event Scotland, Rare Management and World Archery since it has shown that our sport really made a difference," stated Tom DIELEN, World Archery Secretary General. "We were delighted to work with our friends from Edinburgh and Scotland and we hope to work once more with them in the future."

The World Cup Grand Final is the second archery event from last year to be honoured with an award. The Archery GB National Series Grand Final at Leamington the week before the Edinburgh event won the award for the best sports event hosted in the West Midlands in 2010.

World Cup Final

Istanbul 2011

The 32 best archers of the world gathered on 24-25 September 2011 in Istanbul, Turkey for the Archery World Cup Final 2011. The Kucuksu Palace, on the Asian banks of the Bosphorus Strait, was the site of the event.

The defending champion Brady ELLISON (USA) won a second crown in the recurve men's category. He beat DAI Xiaoxiang (CHN) in the gold final. CHENG Ming, another Chinese, won the women's title against 17-year old Deepika KUMARI (IND). The men's bronze medal went to Dmytro HRACHOV (UKR) who defeated the young Gael PREVOST (FRA). On the women's side, Berengere SCHUH (FRA) won 3rd place against JUNG Dasomi (KOR). In the mixed event the Korean double OH Jin-Hyek/JUNG Dasomi defeated the local pair Yagiz YILMAZ/Natalia NASARIDZE.

Brady Ellison (USA)

CHENG Ming (CHN)

The three compound gold medals at stake were clinched by USA. Rodger WILLET Jr won the individual men's title against his fellow countryman Reo WILDE. Erika ANSCHUTZ was crowned on the female side, defeating another American Christie COLIN. The mixed team match against the host country also turned in favour of WILLET and COLIN. The individual bronze medals went to the Italians Sergio PAGNI and Marcella TONIOLI.

Rodger WILLET Jr (USA)

Erika ANSCHUTZ (USA)

Longines Prize for Precision

The 2011 Archery World Cup season came to an end this weekend in Istanbul. As the athletes who shot the most 10s during the season Rodger WILLETT JR (USA) and Erika ANSCHUTZ (USA) won the Longines Prize for Precision!

The Longines Prize for Precision for archery was launched in 2010. The two most precise archers during the World Cup season from two categories will win the trophy, a watch and a 5,000 Swiss francs prize. In 2011, the compound athletes who shoot the most 10s during all individual qualifications and matches as of the 1/16 eliminations of the World Cup won the Longines Prize for Precision.

On the men's side, it all came down to the last match between the Americans Rodger WILLETT Jr and Reo WILDE! WILLETT won the first three stages. However, WILDE came back very close thanks to his magnificent victory in Shanghai. In the Istanbul, both archers won their quarterfinal and semifinals to reach the gold medal match. Trailing by four 10s, WILDE still had the chance to catch WILLETT on the finish line for the World Cup title and the Longines Prize. But WILLETT won the gold final 143-141 (adding 9 more 10s out of 15 arrows for a total of 424 tens) to show he was the true champion of the season!

On the women's side, it was a close race between Erika ANSCHUTZ (USA), Laura LONGO (ITA), Albina LOGINOVA (RUS) and Christie COLIN (USA). LONGO arrived in Istanbul with the smallest lead over ANSCHUTZ (276 to 275), while LOGINOVA had 262 and COLIN 255. With her losses in quarterfinals in Istanbul LONGO and LOGINOVA stopped contending for the Prize. ANSCHUTZ and COLIN went all the way to the gold final, but the latter trailed her teammate by too many 10s. At the end ANSHCHUTZ showed that she was best compound women archer of the year with a victory 142-138. She won Stage 1 in Porec, ranked 2nd in Ogden and Shanghai, won the Final in Istanbul and the Longines Prize for Precision with 304 tens for the season!

Management Seminar

Invitation

In line with the World Archery World Plan 2007-2012, the next stage of the plan and with the aim of empowering their Member Associations (MAs), World Archery will hold a Management Seminar on 18-20 November 2011 in Lausanne, Switzerland. This seminar is aimed at MAs' chief executives, mainly General Secretaries, CEO's and/or Presidents depending on the size and structure of the federation.

The objective of the seminar is to strengthen the networking between MAs by sharing successful stories and concrete projects that can be replicated in other countries in order to increase management efficiency. This is also the start for the World Archery Plan 2012-2017 to deliver assistance to MAs and to transfer knowledge and experience between members.

The complete invitation letter and registration form are available on www.worldarchery.org, section World Archery > News > Archives > 2011 > 5 September 2011.

Member Associations

Great Britain

As the Olympic sport with the richest of history, it was appropriate that Britain's Parliament was host of an archery tournament. This event took place on the Speakers' Green on Monday, 5 September 2011. It was one of the events being staged to mark Archery GB's 150th anniversary.

The Commonwealth Games double gold medallist Nicky HUNT was there to give some expert advice to several adversaries. Among the rivalries were the Culture Secretary Jeremy HUNT MP, and his Parliamentary Shadow, Ivan LEWIS MP, and other Members of Parliament who went along to have a go at one of the country's fastest growing sports.

The event was organised by Huw IRRANCA-DAVIES MP, the Parliamentary sponsor for archery in the countdown to next year's London Olympic Games. An enthusiastic sportsman, Mr IRRANCA-DAVIES is no new convert to archery—he has been involved in the sport for many years, particularly since the establishment of groups in his constituency, and is now looking forward to making Parliamentary history.

Archery now has over 30 thousand regular participants throughout the UK, and with the sports' profile rising in the countdown to London 2012, new recruits to the sport are turning up.

Only recently, archery came out on top in an AXA sponsored opinion poll of young people throughout the country when asked about the Olympic sport they would most like to take up if given the chance.

TIZOCATA Tournament in Benin

From 8-11 September, the 3rd edition of the "Tournoi International des Zones Centre et Ouest Afrique de Tir à l'Arc" (TIZOCATA) was held in Cotonou (Benin) under the projectors of media and honoured by several VIPs.

The Opening Ceremony was chaired by the Director of the cabinet of the Sports Minister on Thursday, 8 September. The Sports Minister Mr Didier APLOGAN came to support the archers the afternoon of Friday, 9.

The archers competed at the Friendship stadium in recurve bow at 70m, standard bow at 30m and bamboo bow at 25m. From each distance, the archers shot two times 36 arrows. Just like in major international tournaments, the finals were shot in an attractive venue: the Fidjrosse beach. The qualified archers shot head-to-head matches.

Medal Ranking:

Rank	Country	Gold	Silver	Bronze
1st	BENIN	7	5	4
2nd	R.D.CONGO	1		
3rd	TOGO		1	1
4th	NIGER		1	

In this third edition, there were two new participating countries: the Democratic Republic of Congo and Niger. As usual in this tournament, there was a competition between the new countries to encourage their participation. They shot at 30m with standard bows, and the DR Congo beat Niger.

On the following Wednesday, the Ambassador of the DR Congo officially received the gold medal winner at the embassy, in the presence of the archery federation members, the Beninese archers as well as the Congolese Community in Benin and the press. The President of the Union offered him the World Archery symbol and other gifts from FEBETA.

The success of this tournament pleases the "Fondation Internationale de Développement du Tir à l'Arc" (FIDTA), which sponsored this project. For more information: www.febeta.org

World Conference on Sport for All

Some 600 sports and government representatives, delegates from UN agencies, NGOs and academics from around the world met from 20-23 September in Beijing, China at the 14th World Conference on Sport for All.

The various experts and stakeholders involved exchanged during plenary and parallel sessions, workshops, panel discussions, poster sessions, networking opportunities and social events on subjects as "Follow-up of the 2010 World Conference on Sport for All," "Programmes and policies: the practical and theoretical foundations of Sport for All," "Development and promotion of Sport for All, in particular the roles of different stakeholders," "Health and social benefits of physical activity" and "Future directions".

Ugyen RINZIN (Bhutan Archery Federation), Joerg BROKAMP (German Archery Federation), Pascal COLMAIRE (World Archery)

The three-day conference was organised by the International Olympic Committee (IOC), in cooperation with the World Health Organization, Sport Accord, the Beijing Olympic City Development Association, the Beijing Municipal Government and the Chinese Olympic Committee.

When addressing the opening of the Conference, IOC President Jacques ROGGE said that "Everybody should have access to sport, and promoting Sport for All has always been an integral part of the Olympic Movement," and also "The IOC tries to make this vision a reality through advocacy, programmes and the funding of activities at grassroots levels."

At the Opening Ceremony, President ROGGE presented three IOC Sport for All awards for outstanding Sport for All initiatives to three organisations. The awards, which were granted for the first time, are for the "Award for Healthy and Social Benefits of Sports Activities", the "Award for Programmes and Policies", and the Award for Development and Promotion of Sport for All".

The first World Conference on Sport for All was held in Cologne, Germany in 1986. Since then the Conference has been held biennially. It has carried forward the Olympic spirit, promoted Sport for All, facilitated the harmonious development of health and fitness, and made great contributions to the advancement of humanity, thanks to the joint efforts of various international organisations and associations, countries and regions

World Archery Coaching Seminar

Last Reminder

World Archery Federation is pleased to announce the 5th World Archery Coaching Seminar to be held in London, United Kingdom from 7-12 November 2011. The seminar, hosted by Archery GB, will give archery coaches an opportunity to share best practise and coaching techniques with their global counterparts. Hosting it at Lord's Cricket Ground, offers an opportunity for participants to see the Olympic Archery venue prior to 2012. It is also hoped that delegates will get to see other Olympic venues as part of a wider tour.

The World Archery Coaches Seminar brings the coaching community together from across the globe. So as well as participating in the interactive seminar, learning new skills, you will have the opportunity to discuss and exchange ideas with colleagues from all over the world without the distraction of a competition! World Archery hopes you will join them at the 5th World Archery Coaching Seminar.

So far, more than 45 coaches from all over the world have registered. Do not hesitate anymore; this is your last chance to attend this unique event. Please contact World Archery Development Department, Deqa NIAMKEY at dniamkey@archery.org for complete package and any further information required.

MEAC Activities

Training Camp for Bhutanese Archers & Coaches Course for Tonga

From 8 September 2011 until 15 May 2012, Bhutanese archers are preparing for the London 2012 Olympic Games at the World Archery MEAC Centre with Coach MUN Baek Woon. The two archers are benefiting of the Olympic Solidarity athletes scholarship programme and are the first scholarship holders to train at the MEAC centre as part of the Olympic Games London 2012 preparation programme.

World Archery and Olympic Solidarity (OS) signed a partnership agreement to train archers in view of the Olympic preparation programme. This programme is for those countries that do not have proper training facilities and structures.

From 11 September until 11 October 2011, Sifa Moala TAUMOPEAU from Tonga is following an archery specific coaching programme with Coach MUN Baek Woon. He benefited of OS Coaches Scholarship for a 4-week period at the MEAC. His coaching programme is based on the analysis of the archers' performances, to identify what to change in order to improve their shooting performance and scores. This will allow them to achieve better results, but also improve his coaching level and archery knowledge. Coach MUN says "It's a great opportunity for Sifa to benefit of this scholarship, since he can put in practice theoretical sessions and assist me directly with the Bhutanese archers training at the MEAC."

From left to right: Sifa M. TAUMOPEAU (TGA), MUN Baek Woon (World Archery), Dorji DOLMA (BHU) and Yeshey DHENDUP (BHU)

The Bhutanese archers will attend the Asian championship and Continental Qualification Tournament to the 2012 Olympic Games held from 18-24 October 2011 to win their spot for the London. We wish them all the best of luck! We also hope that the programme followed by Sifa Moala TAUMOPEAU will contribute to the development of archery in Tonga.

We would like to thank the OS as well as the National Olympic Committees of Bhutan and Tonga for their contribution to the development of our sport.

Para-Archery

Stoke Mandeville Open

The Stoke Mandeville Open, Para-Archery World Ranking Event, was held in Stoke Mandeville, United Kingdom from 6-9 September 2011. The number of archers was so great (174) that the Organising Committee had to split the divisions into three separate sessions.

Qualifications took place on Tuesday, 6 September, followed by Eliminations on Wednesday, 7 September. The third day of competition was devoted to the Paralympic Quota Places Tournament. The team events and individual medal matches of the Stoke Mandeville Open took place on Friday.

Gold medals were shared out among eight countries on Friday, 9 September 2011. There were winners from seven countries in seven different individual finals, while three archers ended the day with two medals, thanks to the team tournaments.

The Italian Vittorio BARTOLI won the recurve men W2 gold, beating YOU In Sik of Korea in the final. BARTOLI later won a team silver, as Italy finished runners-up to Poland.

Another double medal winner was Poland's Milena OLSZEWSKA, who beat Eliane SALDEN-OTTEN of the Netherlands in the recurve women standing final. OLSZEWSKA was then a member of the Polish trio that finished runner-up to host nation Great Britain in the team event.

USA's Jeffrey Rhoden FABRY ended the event with two silver medals. He was runner-up to Britain's John CAVANAGH in the compound men W2 final, and was a runner-up too in the compound men's team tournament, as the USA finished second to Korea.

Other gold medallists included Germany's Matthias ALPERS, who beat Frenchman Armando CABREIRA in the recurve men standing final. The recurve women W2 category was an all-Czech affair, with Marketa SIDKOVA triumphing against her teammate Miroslava CERNA.

World champion Philippe HORNER of Switzerland took the gold medal in the compound men open class, when he saw off the challenge of Frenchman Maurice CHAMPEY. And there was a gold medal for Russia in the compound women standing event, thanks to Marina LYZKNIKOVA, who defeated Spain's Ainara BADIOLA.

Read more on www.worldarchery.org, section Para-Archery > Events > Other Events.

Paralympic Quota Places Tournament

On Thursday, 8 September at the Stoke Mandeville Open a Paralympic qualification tournament was held in order to award quota places for the London 2012 Paralympic Games.

In total there were 68 places at stake over seven categories for both men and women. The greatest number was for the compound men open with 22 places, then the recurve men W1/W2 with 11 places. All other categories had seven places each.

Because of the need to rank archers well beyond the number of places available, in case any Paralympic National Committees refused their places, a series of mini tournaments took place as the losers of each group as well as the winners shot more matches. For the compound men open this meant ranking people through to 25-32 places.

There were many close matches with a number of ties, so keen were the archers to win places for their country. At least two matches went to a second shoot-off after the first tie-break arrow was too close to call. All results available at <http://www.ianseo.net/Details.php?toId=186>

Archery Fan Reporters

Season 2

The second season of the Archery Fan Reporter programme was presented by the archery brand WIN&WIN. The best pair of reporters from the season, Krystine SHIFLET and Alexia MARTINEZ (USA), took the role again at the Archery World Cup Final Istanbul 2011.

The Archery Fan Reporter programme was launched last year. The programme allows young reporters, media students, sometimes true archery fans or sometimes newcomers to the sport, to produce daily stories (3-5 minutes in length) about various aspects of major archery events. It is the first daily coverage of archery events on www.archery.tv.

Thanks to a partnership with WIN&WIN, the reporters are helped by the expertise of the Hit the Roof Company, otherwise known as World Archery TV, that ensure all the TV production/broadcasts of the major archery events. The stories covered all kind of topics ranging from star profiles, para-archery, archery families, equipment, new rules and competition formats, etc.

Krystine SHIFLET and Alexia MARTINEZ in Ogden

The following reporters took part in the season:

- Archery World Cup Stage 1 Porec: **ZHU Tian Shun and SONG Jia Yi (CHN)**—as last season's winners
- Archery World Cup Stage 2 Antalya: **Melis BAGATIR (TUR)**
- World Archery Championships Turin: **Natasha SALUKVADZE and Stefano CAREDDU (ITA)**
- World Archery Para Championships Turin: **Natasha SALUKVADZE and Simona GIGANTE (ITA)**
- Archery World Cup Stage 3 Ogden: **Krystine SHIFLET and Alexia MARTINEZ (USA)**
- World Archery Youth Championships Legnica: **Piotr WILINSKI and Paula LEWANDOWSKA (POL)**
- Archery World Cup Stage 4 Shanghai: **ZHU Tian Shun and SONG Jia Yi (CHN)**

In total, these reporters have made close to 50 videos for an audience of 100,000 views on www.archery.tv! World Archery would like to thank all of them for their hard work and the passion they have put in the Archery Fan Reporter Season 2 presented by WIN&WIN.

A jury of World Archery has met after the Shanghai stage to define the best reporters. The choice went to the team of Krystine SHIFLET and Alexia MARTINEZ from USA. The jury was convinced by the freshness and the emotions of their stories. The youth style and content of their videos fit very well with a YouTube channel such as www.archery.tv. As winners of the season, they took the Archery Fan Reporters role at the Archery World Cup Final in Istanbul!

Past Events

Event Questionnaire

We encourage all archers and officials who took part in the World Cup Stage 4 in Shanghai and World Cup Final in Istanbul to fill in the Satisfaction Survey in order to keep improving our events at <http://www.worldarchery.org/FitaQuestionnaire/>.

World Cup Stage 4 Shanghai

Jamie VAN NATTA broke the individual and the team world record today in the qualifications for the Archery World Cup Stage 4 in Shanghai. Overall, the USA continued their domination on this year world cup.

France, in Recurve, and the USA, in Compound, won the first medals awarded at the Shanghai World Cup—bronze in Mixed Teams.

Berengere SCHUH (FRA) had to win none the less than two shot-offs in the recurve women quarterfinals and semifinals to qualify for the Istanbul World Cup Final. She will compete for the gold medal match in Shanghai on Saturday.

Reo WILDE shot a perfect 120 score to win the Archery World Cup Final 2006 in the Mayapan Pyramids. He never made it back to this show since then. Done today! He will play in the World Cup Final Istanbul 2011 after shooting a perfect 150 in the final!

The teams played until the bronze medal match today. Philippines won in Compound Women! Mexico won two medals in Compound Men and Recurve Women, while France was 3rd in Recurve Men

One more time, World Archery transformed an iconic place to a world class archery venue. The River Boulevard Pudong Shanghai will host the finals of the Archery World Cup Stage 4 on Saturday

In Shanghai riverside, Reo WILDE (USA) shot a perfect 150 in his compound men's final. He also won a team gold and came back strong in the Longines Prize for Precision. Jamie VAN NATTA won in Compound Women.

A new US archer is on the rise. After winning two medals in Odgen last month, Joe FANCHIN (USA) won the gold in individuals and team this week in Shanghai! The young Inna STEPANOVA (RUS) also won her first World Cup in Recurve Women

GB National Series Grand Final

Simon TERRY won the Archery GB National Series Grand Final at Speke Hall in Liverpool on 18 September 2011 for the third year running. Chris WHITE successfully defended his title, while Lucy O'SULLIVAN and Charlotte BURGESS were crowned champions for the second time in three years.

TERRY the recurve men's title for the third year running. But he was given a run for his money by 19-year old Andrew RANDALL, who had a fantastic year in the National Series. In Liverpool, he duly ended the hopes of Larry GODFREY in the first recurve men's semifinal, while TERRY beat Alan WILLS. In the final, TERRY took a 4-0 lead, but RANDALL pulled it back to 4-4. TERRY kept his nerve to complete his hat-trick of Grand Final titles.

The recurve women's final was even tenser, as BURGESS and Alison WILLIAMSON needed a shoot-off to decide the title. Their match finished 5-5, and then BURGESS shooting one of her arrows closest to the middle during the dramatic minute that decided the title. Amy OLIVER, in her first Grand Final appearance, took the bronze medal, beating defending champion Naomi FOLKARD.

In compound men WHITE proved yet again what a top class performer he is when it matters, scoring five 10s—including the winning arrow—and seven 9s to see off the challenge of Adam RAVENSCROFT in the final. Liam GRIMWOOD defeated the other losing semi-finalist Duncan BUSBY to take the bronze medal.

O'SULLIVAN took the compound women's title for the second time in three years. After a surprisingly comfortable victory over last year's runner-up Andrea GALES in the semifinals, she then beat defending champion Nichola SIMPSON. Rikki BINGHAM won the bronze medal.

Top 3 Recurve Men: A. RANDALL, S. TERRY and L. GODFREY

Future Events

World Archery Indoor Championships

USA Archery and the National Field Archery Association of the United States invite all archers to the 2012 World Archery Indoor Championships being held in Las Vegas, USA. The event will take place from 5-9 February 2012. Preliminary Entry deadline: **7 November 2011**. Find the invitation package at www.worldarchery.org, section World Championships > Indoor 2012.

Only Member Associations can register athletes and officials through the World Archery FORS system. For countries that need a visa, you are requested to apply as soon as possible.

Indoor Archery World Cup

- Stage 1: 10-11 December 2011 – Singapore (SIN) – www.archeryworldcup.com
Any archer can register. Please contact the organisers through their website.
- Stage 2: 20-22 January 2012 – Nimes (FRA) – www.arclubdenimes.com
Any archer can register. Please contact the organisers through their website.
- Stage 3: 10-12 February 2012 – Las Vegas (USA) – www.nfaa-archery.org
Any archer can register. Please contact the organisers through their website.
- Final: 11 February 2012 – Las Vegas (USA)
The top 16 athletes per category (RM, RW, CM, CW) will play in the Indoor Archery World Cup Final based on their results during the stages. Please read the Indoor Archery World Cup Rules on www.worldarchery.org, section World Cup -> Indoor -> Rules for more information.

INTERPRETATIONS

WORLD ARCHERY CONSTITUTION AND RULES

Book 2, Chapter 7, Article 7.3.1.5

Book 3, Chapter 8, Article 8.3.1.5

Book 4, Chapter 9, Article 9.3.5.1

Archery Australia Inc. has requested an interpretation whether the bow sight pictured below is legal in the Recurve Division.

The Constitution and Rules Committee ("C&R") finds the question presented to be within the terms of reference of the Technical Committee.

C&R has determined that the following interpretation is not contrary to the existing rules or Congress decisions.

Response from the Technical Committee:

It is the majority opinion of the Technical Committee that the sight pin submitted by Archery Australia, (see photo) is not legal for competition in the Recurve Division. The Technical Committee feels that the sight as customarily designed violates rules 7.3.1.5 and 7.3.1.5.1, Book 2.

World Archery Technical Committee, 30 August 2011

Approved by the World Archery C&R Committee, 6 September 2011
